

Broader Engagement Student Job Fair!

Where: Austin Convention Center Rooms 9 ABC

When: Wednesday, November 19, 2008 1:00 pm to 4:00 PM

Who can participate: Any full-time student attending or participating in SC08 who is looking for an opportunity for employment or internship

Join us for the first SC08 sponsored Broader Engagement Student Job Fair. Full-time students looking for internship or employment opportunities are encouraged to participate in the first-ever SC08 sponsored job fair. More than 15 company, university and National Laboratories will be on hand to speak with participants and deliver short presentations about opportunities in HPC and computational science. Presentations from Students may send PDF resumes to **barbara dot fossum at gmail dot com** prior to November 12, 2008 and they will be included in a printed booklet highlighting this year's best and brightest to be distributed to participating potential employers. **Join our LinkedIn group** and create a profile to showcase your talents at <http://www.linkedin.com/e/gis/961237> .
