

EXHIBIT DIRECTORY ADVERTISING RATE SHEET

Don't miss the chance to enhance your exhibit participation by advertising in the Exhibits Directory. Attendees reference the Exhibits Directory during the conference, and it also serves as a valuable reference tool for these industry experts long after the show has ended. The directory is distributed to all attendees in the registration area.

Here are a few statistics from a recent SC attendee survey:

- 83% of SC attendees received the Exhibits Directory that was distributed on-site and 35% referred to the Directory between 3-5 times.
- 36% of the attendees who received the Exhibits Directory plan to use it to contact exhibitors after the Conference.
- 45% indicated that an advertisement in the Exhibits Directory made them more likely to visit that exhibitor's booth at the show.

Don't miss out on reaching this valuable audience! Advertise in the Exhibits Directory and increase traffic to your exhibit.
